Please find below the list of projects, I have worked on:

① Utility to generate Percentile: This is an utility to generate percentile based on obtained marks.

② Utility to monitor memory and managing space in server.

③ Migration of Result preparation process to Python for Gzamin banks / Promotional Exams:

Place: Mumbai

Signature Gaurav Chatterjee.

This is an application which prepares final result after examination related to gramin banks and promotional examination. This application is based on Python scripting. This application is user friendly and efficient to generate all result related files.

④ Utility to generate seating arrangement for GIPSA:

⑤ Utility to generate basic statistics used in IBPS:

This is an utility which generates basic statistics like Mean/Standard Deviation/Skewness/Kurtosis based on testwise scores and total scored.

⑥ Utility for cross checking allotment for RRB:

⑦ MIS of candidates information: This is an application based on Python Django, MySQL, which stores all candidate basic details. This application is used for fetching candidate details based on RTI requirement.

⑧ Utility for allotment of Willinkar project.

⑨ Utility to generate summary file.

⑩ Utility to generate result for CET projects.

⑪ Utility to SORT data: This is an utility which sort data present in a file. This utility is mainly useful for handling data having 2K and negative marks.

⑫ Utility to generate result for ATMA project.

⑬ An Application to enter vacancy of CWE projects: This is an application where IBPS associate can enter vacancy details of CWE projects.

⑭ Final list preparation for GD/Interview for SAIL.

⑮ Application to generate table of Centrewise/Sessionwise/Categorywise count after examination.

- ⑮ Data Preparation for RBI using Python/MySQL based utilities.
- ⑯ Final result preparation for MAHIVITARAN.
- ⑰ SAIL-MT-2019 selection.
- ⑱ Descriptive Paper evaluation using AI/ML: This is an utility which evaluates short answers (upto 2 sentences) and this is based on libraries related to AI/ML.
- ⑲ Result preparation for IICA project.
- ⑳ Utility to generate Lop status report/Lab confirmation report.
- ㉑ Honorsarium Payment System: This is an application which is used for raising request for honorsarium payment. This application is used by all departments of IBPS, wherever honorsarium payment is raised like DAA/R&D/TSS/Administration.
- ㉒ Purchase Order (PO) and Office Note (ON) preparation: This is an web based application which is used for generating Purchase Order (PO) for TCS before examination and generation office Note (ON) for TCS after examination. This application is also used as MIS for IBPS.
- ㉓ Automated Descriptive Paper evaluation for CWE (PO): This is an utility, developed using python AI/ML libraries, which evaluates responses/answers (descriptive) like descriptive answers of Essay and Letter in CWE-PO. This is an descriptive answer evaluation algorithm based utility.
- ㉔ Application to extract text from image/Pdf: This application is used for extracting data from pdf files related to Board meeting and Financial meeting.

- 26) CWE vacancy : This is a web based application to view vacancy details entered by banks through CRP portal.
- 27) Digitisation of Form 16/Payslip : There are two web based applications which are used for downloading Form 16 and monthly payslips. Previously yearly Form 16 and monthly Payslips were provided in hard copies by F&AS department. After implementing these applications, F&AS department upload files to these portals and IBPS associates download their files.
- 28) Utility to generate Equipercentile scores from smoothing data.
- 29) Test Centre Management System - APC.
- 30) Utility for allotment based on Centre preference for APC.
- 31) Enhancement of Scribe application to handle Debarred candidate and associated scribes.
- 32) Digitization of Copying Case.
- 33) Automated Item Generation (AIG) : There is an utility to generate english question based on correct/incorrect words.
- 34) AIG - Translation Portal : A web based portal is developed to translate sentences/paragraphs from english language to hindi.
- 35) Utility for allotment based on Centre preference of Common Candidates.
